Comments: Part D:1, Selected DRGs does not match what the printed .PDF asks for. The .PDF asks for MS-DRGs 268-272 which is what I reported instead of MS-DRG 237. (per Steve Cappel). Also, Part D2 in the .PDF asks for the Mean, Median, and Range for "Dilation of Coronary Artery, One Artery" and "Measurement of Cardiac Sampling and Pressure, Left Heart, Percutaneous Approach" which differs from what is on the online survey. Steve Cappel said I should report what is on the .PDF, so that it was I entered for D2. The 1st one is "Dilation of Coronary Artery, One Artery", BUT we bill by CPT codes for outpatients, not ICD-10 procedure codes, and I was not able to find a CPT code for "Dilation of Coronary Artery, One Artery" that showed more than 1 case. I asked for the CPT codes from Steve, and he said they don't have those. Could you please provide the CPT codes for the Procedures you need in the future? I found a CPT code for Measurement of Cardiac Sampling and Pressure, Left Heart, Percutaneous Approach (CPT 92920), so I have volume for those OP procedures. I used the provided ICD-10 codes for the inpatient data.
