**Comments:**

Part A. 2: The interim hospital facility was operational all of 2008 (after being closed part of 2007 as a result of tornado damage that destroyed the original hospital building). Inpatient services did not resume until after the beginning of 2008.

Part C.1: As in previous years, Sumter Regional Hospital, Inc. managed the hospital facility in 2008 pursuant to a contract with the Americus & Sumter County Hospital Authority.

Part D.1: SUS beds in 2008 were less than the hospital's CON-approved complement of 143 beds.

Part D.6: The hospital did not utilize semi-private rooms in 2008.

Part G.1 and G.2: Due to ad hoc nature of hospital operations after 2007 tornado, the hospital did not utilize staff budgets in 2008.

Part G.4: The hospital did not collect data regarding physician participation in Medicaid/PeachCare and PEHB Plan. As reflected by the hospital's significant patient volumes from those payor classes, physicians on staff at the hospital care for Medicaid/PeachCare and PEHB Plan patients.

Surgical Services Addendum: The hospital operated less than its full complement of surgery rooms in 2008 due to facility limitations related to the 2007 tornado.

Obstetrical Services Addendum: The hospital operated less than its full complement of OB beds and Level II NICU beds in 2008 for reasons including the facility limitations related to the 2007 tornado.

Minority Health Addendum Part 3: Although the hospital does have physicians, nurses, and employed staff who speak languages other than English, the hospital does not have reliable data responsive to the survey request.
