Comments:

Part D, 1: 39 PCU beds were reported as ICU beds on previous years' surveys. After internal review, these PCU beds were moved to the Med/Surg category for the 2008 survey.

- Part D, 1: Inpatient days and discharge days associated with ICU include all days associated with the patient stay. In many instances, this would include days where the patient was in a Med/Surg bed.

- Part D, 2, 3 and 4 - Patient Origin: Admissions and patient days in the race, gender, payment source and patient origin sections do not include numbers from the LTCH, a separately licensed provider. Those numbers are reported on the LTCH addendum.

- Part E, 4: SJH does not dedicate ER beds to specific services.

- Part E, 8 and 9: Candler did not experience a general ambulance diversion in 2008. In the rare instance when it is necessary, Candler diverts ambulances to SJH, its sister facility. Candler does not track the ED cases that are "diverted" in those instances; so the most accurate response to E.8 is "not available".

- Part F, 1b: Number of Treatments, Procedures or Patients (Other1) = Otoneurology Procedures.

- Part G, 4: Number of Medical Staff: The data reflected in Part G, 4 is the most accurate data available, but may not precisely reflect the physician staff database as of December 31, 2008.

- Part G, 4 - #Enrolled as Providers in Medicaid/Peachcare and PEHB Plan: The SJC Medical Staff Office does not track this information. We determined participation by looking each physician on staff up on the Medicaid physician search tool on <http://www.ghp.georgia.gov/wps/portal> (the Georgia Health Partnership portal). The PEHB plan participant information is no longer available on this site.

- Surgical Services Addendum, Part B1: The figures reported on the 2007 AHQ for 1) Pacific Islander Hawaiian; 2) White; and 3) Multi-racial categories were incorrect. The correct numbers should be:

Pacific Islander/Hawaiian = 0; White = 7,265; and Multi-Racial = 47

- LTCH Addendum: The LTCH numbers were provided to us by Select Specialty, the LTCH operator and license holder, and could not be verified by Candler Hospital.

- Georgia Minority Advisory Council Addendum - Q3: SJC does not track information regarding languages spoken by physicians, nurses and other employed staff. The accurate response would be "unknown".
