Title: President and CEO

Comments:

Part D-1: Inpatient days and discharge days associated with ICU include all days associated with the patient stay. In many instances, this would include days where the patient was in a Med/Surg bed.

Part E-4: SJH does not dedicate ER beds to specific services.

Part E-8 and 9: SJH did not experience a general ambulance diversion in 2012. In the rare instance when it is necessary, SJH diverts ambulances to CH, its sister facility. SJH does not track the ED cases that are "diverted" in those instances; so the most accurate response to E8 is "not available".

Part G-4: Number of Medical Staff: the data reflected in Part G-4 is the most accurate data available, but may not precisely reflect the physician staff database as of December 31, 2012.

Part G-4:#Enrolled as Providers in Medicaid/Peachcare and PEHB Plan: The SJC Medical Staff Office does not track this information. We determined participation by looking up each staff physician on the Medicaid physician search tool, "<http://www.ghp.georgia.gov.wps.portal>"(the Georgia Health Partnership portal).

The PEHB plan participant information is no longer available on this site.

Georgia Minority Advisory Council Addendum, Q3:SJC does not track information regarding languages spoken by physicians, nurses and other employed staff. The accurate response would be "unknown"

Surgical Service Addendum: The two dedicated outpatient ORs are located in a MOB on the main campus of the hospital and are an outpatient department on the hospital license. The outpatient ORs became operational in 2007, after SJH obtained DET 2006-042 in January, 2007. The two outpatient ORs were inadvertently omitted from the SJH AHQs for 2007-2011. If DCH so desires, SJH will amend those prior AHQs to reflect the outpatient ORs and related patient and procedure data.
