5b. Name of Other Professions
Please provide the names of professions classified as “Other Staff Affiliates with Clinical Privileges” above.

Clinical Nurse Specialist, Clinical Psychologist, Nurse Anesthetist, Nurse Practitioner, Physician Anesthesia Assistant, Physician Assistant

Comments and Suggestions:
Part E.4: The hospital does not track ED visits by ED bed. Accordingly, ED visits are allocated proportionately among the ED beds for survey reporting purposes. Obviously, the hospital cannot verify that such an allocation accurately reflects the actual number of ED visits per ED bed category.
Part F.1.b Hospice counts show Hospice patients in a hospital bed, and do not show activities of WellStar owned hospice facilities.
Part G.3: Physicians who do not identify a race are listed as multi-racial.
All sections related to race: Patients who do not identify a race are listed as multi-racial.
Parts G.3 and G.4: The differences in the total number of physicians between these two categories are attributable to the physicians accounted for in G.4 who do not have admitting privileges; consistent with the survey instructions, those non-admitting physicians are not counted in G.3.
Part G.4: The reported number of physician providers enrolled in Medicaid/PeachCare and/or Public Employee Health Benefits Plan was derived from hospital billing records. The hospital expects that there are additional physicians on its medical staff who are enrolled in these programs but whom are not reflected in the survey count.
Minority Health: Although the hospital does employ nurses and staff who speak languages in addition to English, the hospital does not have reliable data responsive to the request.
Perinatal Services Addendum Part C.1 and C.2: The mothers’ admissions and inpatient days do not include ante-partum admissions and days.
‘Other’ Payor group is now being used, previously other was included with Third-Party.
In sections of the survey where MEDICAID is not listed as a payor choice, Medicaid is combined with OTHER.
### Part H: Physician Name and License Number

**1. Physicians on Staff**
Please report the full name and license number of each physician on staff. *(Due to the large number of entries, this section has been moved to a separate PDF file.)*

### Part I: Patient Origin Table

**1. Patient Origin**
Please report the county of origin for the inpatient admissions or discharges excluding newborns (except surgical services should include outpatients only).

Georgia Minority Health Advisory Council Addendum

Because of Georgia’s racial and ethnic diversity, and a dramatic increase in segments of the population with Limited English Proficiency, the Georgia Minority Health Advisory Council is working with the Department of Community Health to assess our health systems’ ability to provide Culturally and Linguistically Appropriate Services (CLAS) to all segments of our population. We appreciate your willingness to provide information on the following questions:

1. Do you have paid medical interpreters on staff? (Check the box, if yes.) ☑
   If you checked yes, how many? 1.2000000476837 (FTE’s)
   What languages do they interpret?
   Spanish

2. When a paid medical interpreter is not available for a limited-English proficiency patient, what alternative mechanisms do you use to assure the provision of Linguistically Appropriate Services? (Check all that apply)

   - Bilingual Hospital Staff Member ☑
   - Bilingual Member of Patient’s Family ☐
   - Community Volunteer Interpreter ☐
   - Telephone Interpreter Service ☑
   - Refer Patient to Outside Agency ☐
   - Other (please describe): ☑

   Team members are trained to access interpretation services for patients who are deaf or hearing impaired.

3. Please complete the following grid to show the proportion of patients you serve who prefer speaking various languages (name the 3 most common non-English languages spoken.)

<table>
<thead>
<tr>
<th>Top 3 most common non-English languages spoken by your patients</th>
<th>Percent of patients for whom this is their preferred language</th>
<th># of physicians on staff who speak this language</th>
<th># of nurses on staff who speak this language</th>
<th># of other employed staff who speak this language</th>
</tr>

4. What training have you provided to your staff to assure cultural competency and the provision of Culturally and Linguistically Appropriate Services (CLAS) to your patients?

Cultural competency and diversity education is woven throughout the curriculum of all new leader
orientation trainings at WellStar. In addition, we offer online webinars, education during new employee orientation and via monthly newsletters (Cultural Connections).

5. What is the most urgent tool or resource you need in order to increase your ability to provide Culturally and Linguistically Appropriate Services (CLAS) to your patients?

Reimbursement for these services would be the resource that would enhance our ability to continue to provide these services.

6. In what languages are the signs written that direct patients within your facility?

1. English
2. Spanish
3. Braille
4.

7. If an uninsured patient visits your emergency department, is there a community health center, federally-qualified health center, free clinic, or other reduced-fee safety net clinic nearby to which you could refer that patient in order to provide him or her an affordable primary care medical home regardless of ability to pay? (Check the box, if yes) ☑

If you checked yes, what is the name and location of that health care center or clinic?

1) Good Samaritan Health Center of Cobb, 1605 Roberta Drive SW, Marietta, GA 30008
2) Kennesaw State University Community Health Clinic at MUST, 1407 Cobb Parkway NW, Marietta, GA 30062 (closed July 2013)
3) Sweetwater Community Health Center, 6289 Veterans Memorial Highway Austell, GA 30168
4) Luke’s Place, 948 Front Street, Mableton, GA 30126
5) The Family Health Center at Cobb, An affiliate of West End Medical Centers, Inc. (This is a Federally Qualified Health Center in Fulton County), 805 Campbell Hill Street, Marietta, GA 30060
6) WellStar Community Clinic at Kennestone, 52 Tower Road, Marietta, GA 30060
7) WellStar Community Clinic at Cobb, 1790 Mulkey Road, Suite 10, Austell, GA 30106
8) Georgia Highlands Medical Services, (This is a Federally Qualified Health Center out of Cumming, Georgia), 220 Oakside Lane Building, Canton, Georgia 30114
