Any co-worker can access documents on care, customs, health and dietary interest of any non-English speaking patient. Site also includes external internet site links for further reading and more information.

5. What is the most urgent tool or resource you need in order to increase your ability to provide **Culturally and Linguistically Appropriate Services (CLAS)** to your patients?

Cultural competency education fair, seminars and learning events.

6. In what languages are the signs written that direct patients within your facility?

1. English 2. Universal Symbol 3. Braille 4.

7. If an uninsured patient visits your emergency department, is there a community health center, federally-qualified health center, free clinic, or other reduced-fee safety net clinic nearby to which you could refer that patient in order to provide him or her an affordable primary care medical home regardless of ability to pay? (*Check the box, if yes*)

If you checked yes, what is the name and location of that health care center or clinic?

Title: President and CEO

Comments:

Part D - 1: Inpatient days and discharge days associated with ICU include all days associated with the patient stay. In many instances, this would include days where the patient was in a Med/Surg bed.

-

Part D – 2: SJH no longer designates Hispanic/latino as a distinct race.

-

Part E – 4: SJH does not dedicate ER beds to specific services.

-

Part E – 8 and 9: SJH did not experience a general ambulance diversion in 2014. In the rare instance when it is necessary, SJH diverts ambulances to CH, its sister facility. SJH does not track the ED cases that are “diverted” in those instances; so the most accurate response to E8 is “not available”.

-

Part F - 1b: "Number of Treatments, Procedures, or Patients (Other 1)" are otoneurology treatments.

-

Part G – 4: Number of Medical Staff: The data reflected in Part G-4 is the most accurate data available, but may not precisely reflect the physician staff database as of December 31, 2014.

-

Part G – 4: #Enrolled as Providers in Medicaid/Peachcare and PEHB Plan: The SJC Medical Staff Office does not track this information. We determined participation by looking up each staff physician on the Medicaid physician search tool, “<http://www.ghp.georgia.gov/wps/portal>” (the Georgia Health Partnership portal). The PEHB plan participant information is no longer available on this site.

-

Georgia Minority Advisory Council Addendum, Q3: SJC does not track information regarding languages spoken by physicians, nurses and other employed staff. The accurate response would be “unknown”.
