## Georgia Minority Health Advisory Council Addendum

Because of Georgia's racial and ethnic diversity, and a dramatic increase in segments of the population with Limited English Proficiency, the Georgia Minority Health Advisory Council is working with the Department of Community Health to assess our health systems' ability to provide Culturally and Linguistically Appropriate Services (CLAS) to all segments of our population. We appreciate your willingness to provide information on the following questions:

1. Do you have paid medical interpreters on staff? *(Check the box, if yes.)*

**If you checked yes, how many?** 0 (FTE's)

What languages do they interpret?

Paid medical interpreters are "contracted" but not "on staff" at Candler Hospital. Translation is provided for Spanish speaking patients only.

Bilingual Hospital Staff Member

Bilingual Member of Patient's Family

Community Volunteer Interpreter

Telephone Interpreter Service

Refer Patient to Outside Agency

Other (please describe):

3. Please complete the following grid to show the proportion of patients you serve who prefer speaking various languages (name the 3 most common non-English languages spoken.)

Top 3 most common non-English languages spoken by your patients	Percent of patients for whom this is their preferred language	# of physicians on staff who speak this language	# of nurses on staff who speak this language	# of other employed staff who speak this language
Spanish	unknown	0	0	0
Hindi	unknown	0	0	0
Korean and Vietnamese	unknown	0	0	0

4. What **training** have you provided to your staff to assure cultural competency and the provision of **Culturally and Linguistically Appropriate Services (CLAS)** to your patients?

1) Computer based learning (CBL) class is required for all clinical and non-clinical personnel annually. 2) Cultural competency website on internal intranet. Any co-worker can access documents on care, customs, health and dietary interests of any non-English speaking patient. Site also includes external site links for further reading and more information.

**5. What is the most urgent tool or resource you need in order to increase your ability to provide **Culturally and Linguistically Appropriate Services (CLAS)** to your patients?**

Cultural competency educational fair, seminars and learning events.

**6. In what languages are the signs written that direct patients within your facility?**

1. English                                      2. Universal Symbol                                      3. Braille                                      4.

**7. If an uninsured patient visits your emergency department, is there a community health center, federally-qualified health center, free clinic, or other reduced-fee safety net clinic nearby to which you could refer that patient in order to provide him or her an affordable primary care medical home regardless of ability to pay? (Check the box, if yes)**

If you checked yes, what is the name and location of that health care center or clinic?

**Title:** President and CEO

**Comments:**

Part D - 1: Inpatient days and discharge days associated with ICU include all days associated with the patient stay. In many instances, this would include days where the patient was in a Med/Surg bed.

-

Part D – 2: CH no longer designates Hispanic/latino as a distinct race.

-

Part E – 4: CH does not dedicate ER beds to specific services.

-

Part E – 8 and 9: Candler did not experience a general ambulance diversion in 2014. In the rare instance when it is necessary, Candler diverts ambulances to SJH, its sister facility. Candler does not track the ED cases that are “diverted” in those instances; so the most accurate response to E8 is “not available”.

-

Part F – 1b: Workload totals do include all other Candler Hospital-based imaging services modalities at locations off the main campus.

-

Part F – 1b: Number of Treatments, Procedures or Patients (Other 1) = Otoneurology Procedures.

-

Part G – 4: Number of Medical Staff: The data reflected in Part G-4 is the most accurate data available, but may not precisely reflect the physician staff database as of December 31, 2014.

-

Part G – 4: #Enrolled as Providers in Medicaid/Peachcare and PEHB Plan: The SJC Medical Staff Office does not track this information. We determined participation by looking up each staff physician on the Medicaid physician search tool, “<http://www.ghp.georgia.gov/wps/portal>” (the Georgia Health Partnership portal). The PEHB plan participant information is no longer available on this site.

-

Perinatal Addendum, Part B – 1: Neonatal admissions are not available. The number reports in the admissions column is actually discharges.

-

Georgia Minority Advisory Council Addendum, Q3: SJC does not track information regarding languages spoken by physicians, nurses and other employed staff. The accurate response would be “unknown”.

-
