Title: President and CEO

Comments:

Part D - 1: SUS beds reflect all of the hospital's CON-authorized and licensed beds.

-

Part D - 1: Inpatient days and discharge days associated with ICU include all days associated with the patient stay. In many instances, this would include days where the patient was in a Med/Surg bed.

-

Part D – 2: CH no longer designates Hispanic/latino or multi-racial as a distinct race.

-

Part E – 4: CH does not dedicate ER beds to specific services.

-

Part E – 8 and 9: Candler did not experience a general ambulance diversion in 2016. In the rare instance when it is necessary, Candler diverts ambulances to SJH, its sister facility. Candler does not track the ED cases that are "diverted" in those instances; so the most accurate response to E8 is "not available".

--

Part F – 1b: Number of Treatments, Procedures or Patients (Other 1) = Otoneurology Procedures.

-

Part G – 4: Number of Medical Staff: The data reflected in Part G-4 is the most accurate data available, but may not precisely reflect the physician staff database as of December 31, 2016.

-

Part G – 4: #Enrolled as Providers in Medicaid/Peachcare and PEHB Plan: The SJC Medical Staff Office does not track this information. We determined participation by looking up each staff physician on the Medicaid physician search tool, "http:// www.mmis.georgia.gov/portal" (the Georgia Medicaid Management Information System portal). The PEHB plan participant information is no longer available on this site.

-

Perinatal Addendum, Part B – 1: Neonatal admissions are not available. The number reports in the admissions column is actually discharges.

-

Georgia Minority Advisory Council Addendum, Q3: SJC does not track information regarding languages spoken by physicians, nurses and other employed staff. The accurate response would be "unknown".

-
