Comments:

1) No ethnicity tracked in '08, but will in '09. 2) No country of origin tracked in '08, but will in '09. 3) No "formal" indigent/charity care reported due to the fact that we do not have a formal income testing policy (although we wrote off \$465,917 in gross charges for patients that could not afford care, had previously paid large amounts out of pocket, or had cancer). 4) 3rd party vs self pay volume reported as accurately as possible given limitation in the billing system to fully track it.
