**Comments:**

Deductions were estimated for professional fees due to lack of transaction code to specifically identify professional fee contractals and adjustments for accounts that had both hospital and professional fee charges. Indigent and Charity Care charges reported in E.1. of the survey represent charges written off to indigent or charity and are net of payments from any payor including state programs. Payments reported in E.2. of the survey are payments for indigent or charity care that were not posted at the account level. A 10% Self-Pay Discount was offered starting in FY12 due to requirements for retaining tax exempt status. If this discount had not been made, amount would likely be classified as Bad Debt, Indigent or Charity, therefore, amount was categorized as Bad Debt on the HFS.
