**Comments:**

When I first tried to complete the current survey for 2012 ( Sept. 20, 2013), it would not allow me to conclude it due to 2012 not having been entered. I compiled the info based on numbers in the system and completed using the name of the former Administrator, Kristie Dorsey in the question block asking contact. I did not arrive here until April 1, 2013. To the best of my knowledge this information is true by records available. This allows me to now be able to input the info needed for the 2012 report. I called to inquire what I should do to be able to enter the 2012 info. The gentleman I spoke to informed me I would not be able to enter 2012 without first finding the info and entering 2011. Janine Milner, Administrator
